

# RENT A SUSTAINABLE PROJECT

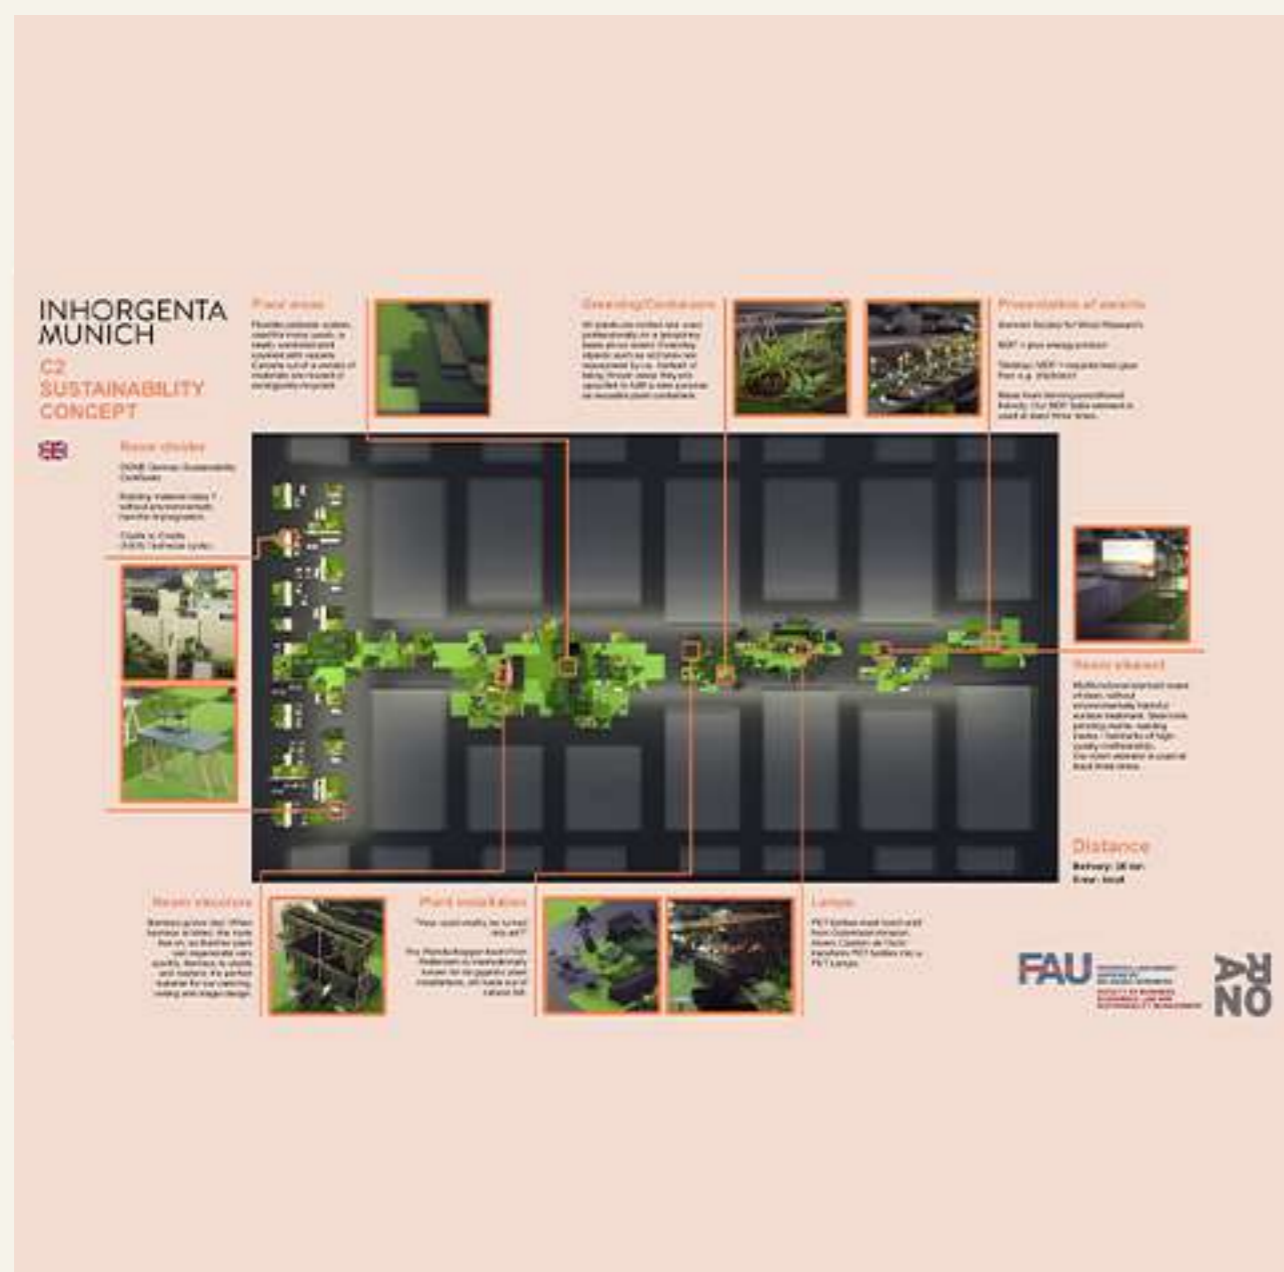

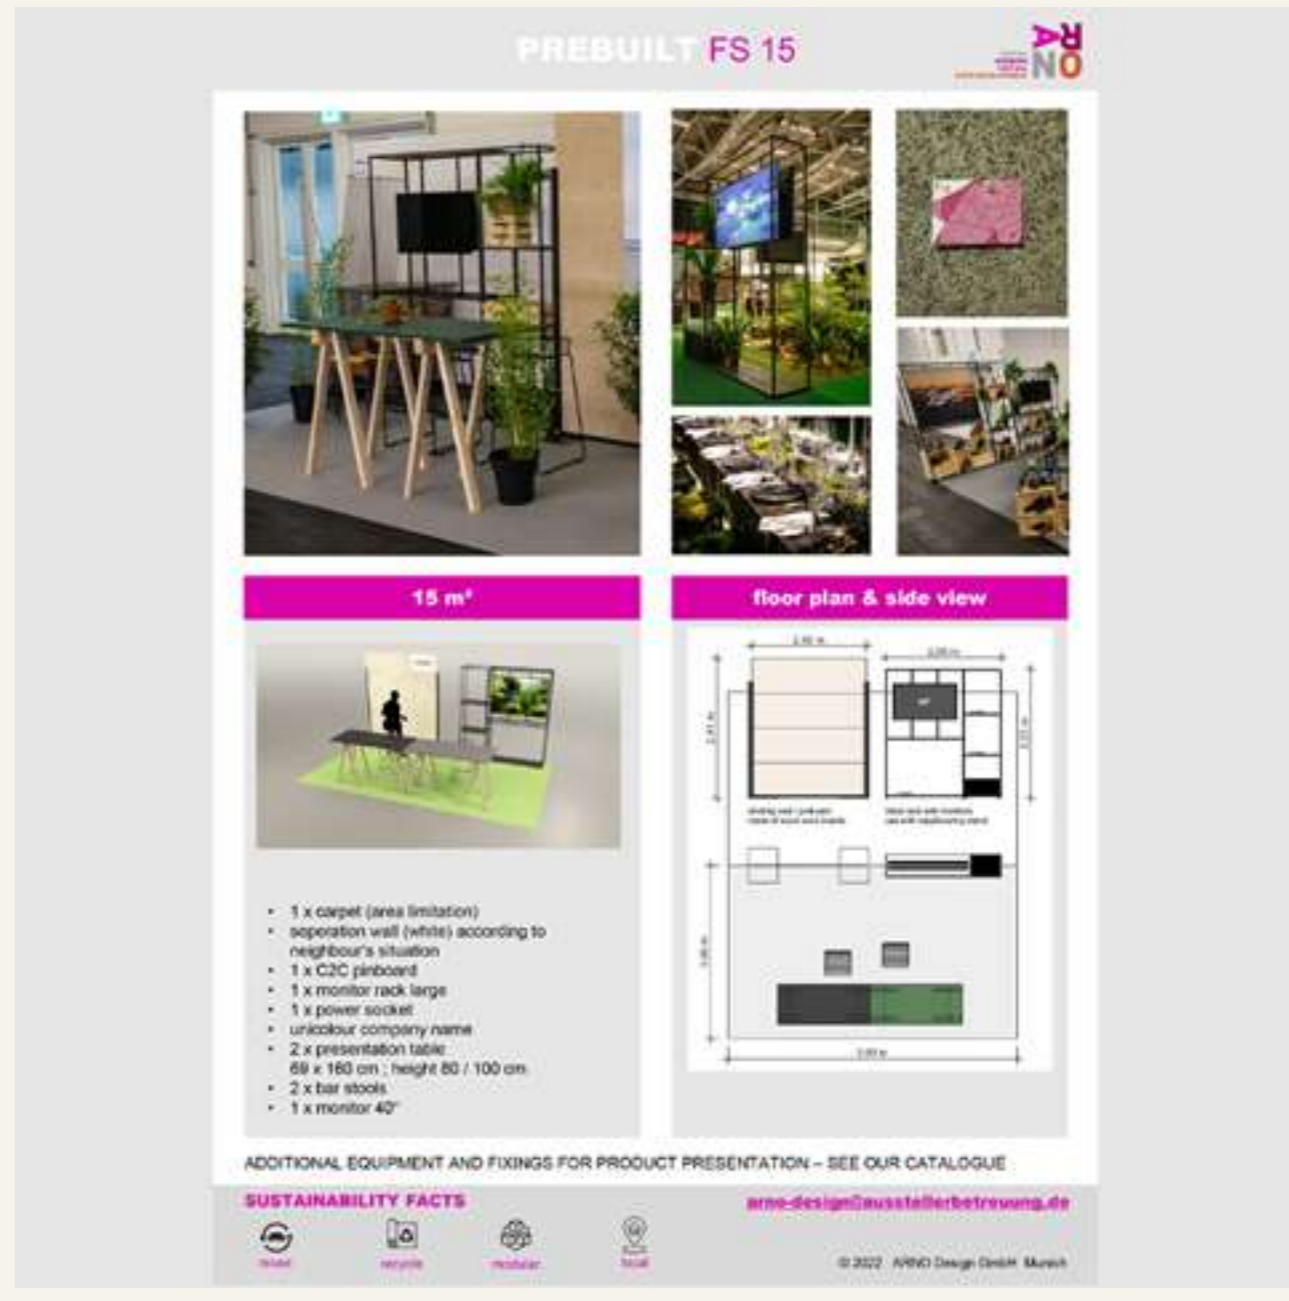

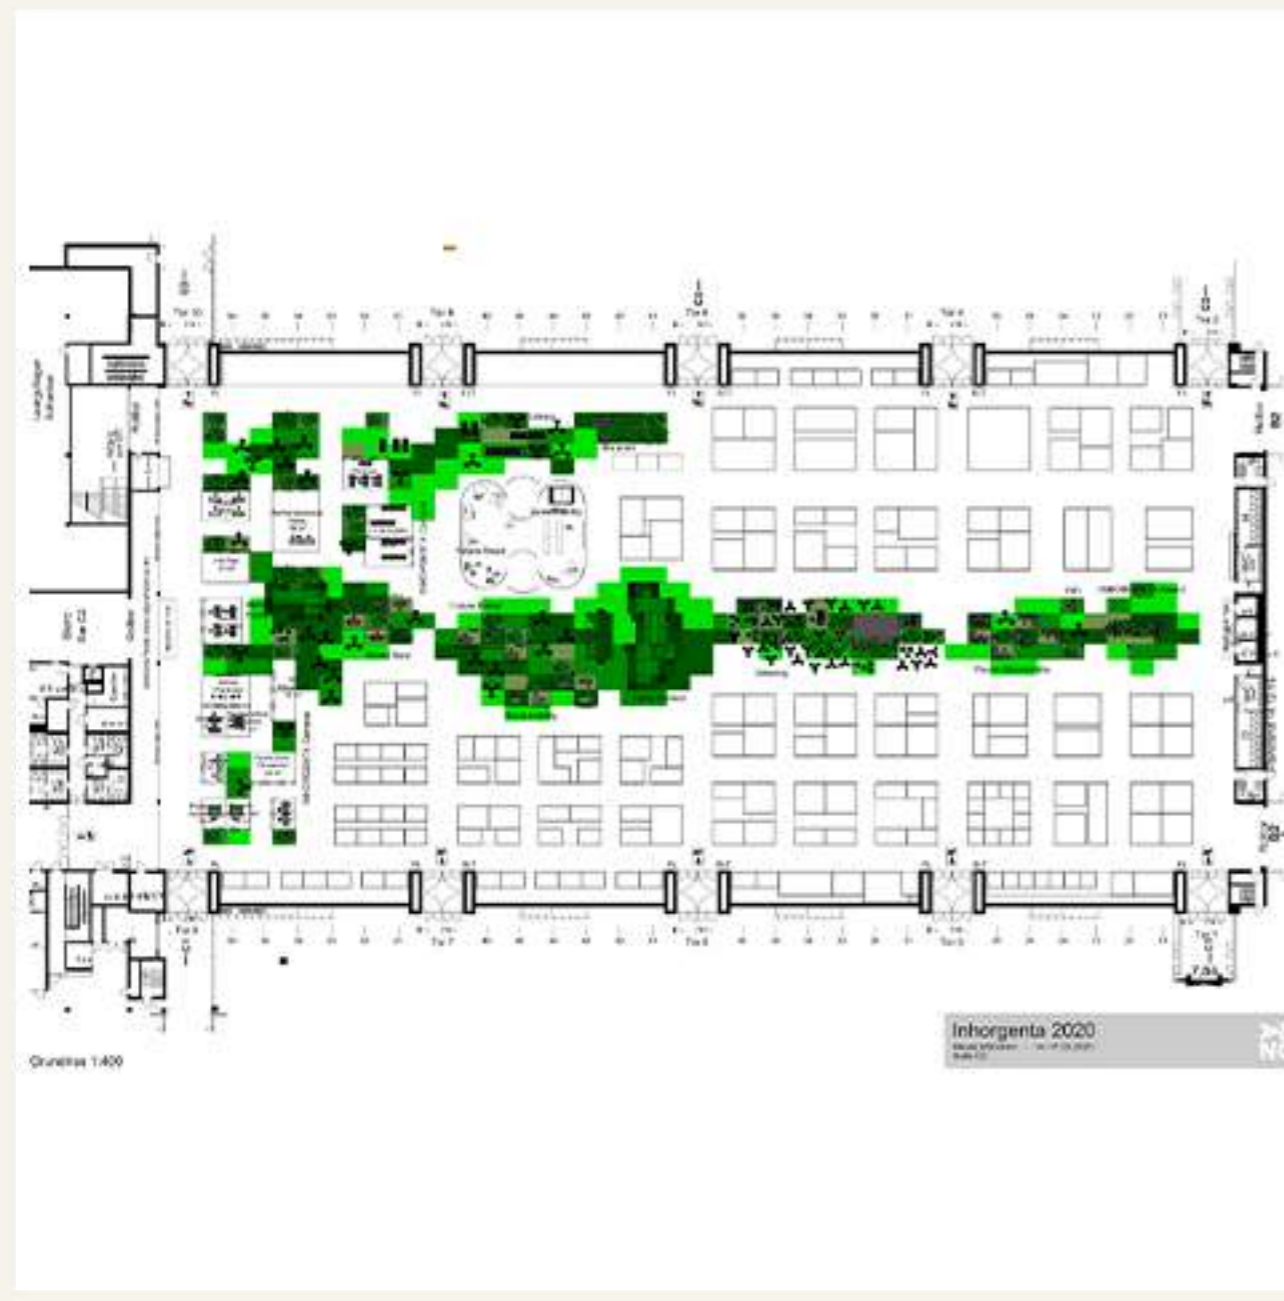

## HOW TO DEVELOP A SUCCESSFUL & COST-EFFECTIVE EXHIBITION PROJECT WITHIN 20 MINUTES?

Arno Design assists exhibition organisers and companies by supplying sustainable and cost effective prebuilt exhibition elements along with high quality architectural concepts. We provide full service support including planning, marketing and execution. We offer complete solutions for all your projects: Indoor, outdoor, virtual.

### 1. HOW TO WORK WITH EXPO-RENT.ME

- Choose the look and feel for your exhibition project.
- See examples of how easily and flexibly everything can be customised for you.
- Use the cost preview to see how you can optimise your budget.
- Download the images and info sheets provided for your presentation.
- Check sustainability and ecological standards using our data sheets.
- Convince your customers with our 3D animations.

### 2. EXPO REAL HIGHLIGHTS AT A GLANCE

INDOOR

OUTDOOR

VIRTUAL

Show More

### 3. ARNO DESIGN NEXT GENERATION

Arno Design is always on the lookout for young talent who share our enthusiasm for design and the organisation of exhibitions and events. Creativity, team spirit and the ability to work professionally under pressure are the characteristics of our young generation.
